## FOR IMMEDIATE RELEASE

### MONCTON NURSE ASSUMES PRESIDENCY OF NURSES ASSOCIATION

FREDERICTON, 14 September 2007 C Monique Cormier Daigle, Moncton, has assumed the presidency of the 8900-member Nurses Association of New Brunswick (NANB) for a two-year term.

Mrs. Cormier Daigle is currently director, education services, at the Beauséjour Regional Health Authority. Prior to assuming her current position, she was a clinical nurse specialist in nephrology at the Dr. Georges L. Dumont Hospital. A former associate professor at the Université de Moncton school of nursing, Mrs. Cormier Daigle previous nursing experience includes working in the Poison Control Centre and Pulmonary Clinic at The Moncton Hospital.

A graduate of Université de Moncton, Mrs. Cormier Daigle obtained a master=s of nursing from Dalhousie University, Halifax. She has recently obtained a diploma in bioethics from Université de Pierre et Marie Curie (Paris VI). A number of articles authored by Mrs. Cormier Daigle have been published in scholarly journals. She has participated in research projects on cross-cultural and trans-cultural health care and telehealth.

Mrs. Cormier Daigle is a member of the Canadian Association for Nursing Research and the Canadian Clinical Nurse Specialist Interest Group.

The Nurses Association of New Brunswick is a professional, regulatory body representing 8600 registered nurses and nurse practitioners. NANB is responsible for advancing and maintaining the standards of nursing in the province and for governing and regulating those offering nursing care.
