Why Should I Run For Office?

Nominations for the 2019 elections are now being accepted.

This is your opportunity to:

- influence health care policies;
- broaden your horizons;
- network with leaders;
- expand your leadership skills; and
- make things happen in nursing.

How can I become a candidate?

Any practising member of the Association may nominate or be nominated for positions on the board of directors of the Association.

Nominees for president-elect must be willing to assume the presidency.

Nominations submitted by individuals must bear the signatures and registration numbers of two practising members.

Nominations submitted by chapters must bear the signatures and registration numbers of two members of the chapter executive who hold practising membership.

Nominators must obtain the consent of the candidate(s) prior to submitting their names.

Nomination Restrictions

Only nominations submitted on the proper forms signed by current practising members will be valid.

No director may hold the same elected office for more than four consecutive years (two terms). A director is eligible for re-election after a lapse of two years.

If there is only one person nominated, the nominee is elected by acclamation and no vote will be required.

Information and Results of Elections

Information on candidates will be posted on the NANB website in March 2019. Voting will take place online.

The names of the elected candidates will be announced at the 2019 Annual Meeting and will be published in the September edition of *Info Nursing*.
