### **Nominated by:**

Patrick Roy and Ghislain Bernard

### **Reason for accepting nomination:**

It is with enthusiasm that I accept the nomination as board director, representing Region 6. This position will provide me an opportunity for professional development. My years of professional experience as bedside nurse, in university education, in management and in community health have given me an understanding of the issues of population health, the health care system and the nursing profession that will allow me to represent the interests of the Association. I will take on this leadership role with commitment to constructively and positively influence the future of nursing and health care.
