EMPLOYMENT

You are required to report your **overall** employment status between **01-Dec-2021** and **30-Nov-2022**, **not necessarily your current employment status**. Please enter any employer in this period of time and ensure the information is complete and accurate. If you have formerly been employed between these dates, you must select an employment status that indicates that you have worked in this registration period.

* Current employment status

Full-Time By Choice
