

Region 4**Mélissa Duguay****Education:**

2022: Started a Master of Nursing (thesis)

2004: Bachelor of Nursing, Université de Moncton

Additional Education:

2022: Certified in Immediate Resuscitation Care (IRS)

2018: Certified in Non Violent Intervention (CPI)

Current position:

Clinical nurse specialized in professional practice (Zone 4)

Nominated by:

Sylvie Bernard and Virgil Guitard

Reason for accepting nomination:

My multifaceted career path has allowed me to see the issues that our profession faces on a daily basis. Having quality nurses who provide care according to their competence, who support the next generation of nurses and who demonstrate leadership in their practice is a very important aspect of our profession. We must continue to maintain the scope of practice of NPs and foster leadership of our nurses in all roles and at all levels. I feel that my experience and skills gained from my professional career can contribute to the advancement of the profession in New Brunswick.
