Nominated by:

Alyssa Guitard and Jamie Légère

Reason for Accepting Nomination:

I want to be actively involved in the public protection of New Brunswickers while ensuring professional nursing practice. I have experience in both USA and Canada, and feel that I am well suited to being director within NANB due to my clinical practice, professional engagement as well as my involvement in nursing academics. I have returned to live in Moncton NB after 10 years of practicing and advancing my education in the USA.
