

Beal Canada Transfer Students

Beal US students who transfer to Beal University Canada Sackville, NB campus into the Bachelor of Science in Nursing (BScN) degree program after the first year of the Beal US program should apply in NANB as a [new graduate nurse](#). This process includes steps on becoming eligible to write the NCLEX–RN exam.

Beal US Students

Students who graduate from Beal US BScN program should apply to the Maine State Board of Nursing for registration and to become eligible to write the NCLEX–RN exam. These graduates will apply for registration as a Registered Nurse with NANB following the NANB [Internationally Educated Nurse](#) process.
